## The Secret of Hidden Treasures

The CLUE—COLUMBIA AGRICULTURAL LIMESTONE—  
it has hidden treasures which are not recognized by all.  
COLUMBIA AGRICULTURAL LIMESTONE not only sweet-  
ens soil, adds calcium, but makes it possible to raise legumes  
which add nitrogen to the soil.

According to the results from the University of Illinois  
Brownsdown Experimental Field, this is clearly demonstrated.  
On the area of the field, which has been limed since 1940,  
and where clovers were plowed under, the corn yields, with  
LIMESTONE, potash, phosphate and nitrogen, was 97 bushels  
per acre.

On a new area, without legumes, but with the same amount  
of LIMESTONE, potash, phosphate and nitrogen, the yield was  
42 bushels per acre.

LIMESTONE and LEGUMES are the farmer's greatest guar-  
antee against crop failures, especially in bad years. Don't forget  
to satisfy your LIMESTONE REQUIREMENTS FIRST: Let:

Ewell Harris, Galatia, Illinois  
Ralph Carpenter, Eldorado, Illinois  
Supply COLUMBIA 2500 LIMESTONE, which will give you hid-  
den treasure in your soil.

## Miss Margaret Klein to Receive Degree Saturday, June 2, from Rosary College

Miss Margaret Klein, daughter  
of Dr. and Mrs. J. J. Klein, 204  
North Webster, is receiving a  
bachelor of arts degree from Ros-  
ary college in River Forest, Ill.,  
on Saturday, June 2. Miss Klein  
is a graduate of the Harrisburg  
Township high school.

Miss Klein has been a very ac-  
tive student on the campus. She  
is a member of the Modern Lan-  
guage club and the Torch. Her  
major work has been done in  
French and her minor work in  
German. Miss Klein will apply  
her knowledge of German when  
she goes to Germany this coming  
year to act as a translator in a  
German concern.

Margaret Klein will be among  
104 students who will receive  
their degrees from His Eminence  
Samuel Cardinal Stritch, Arch-  
bishop of Chicago. The Cardinal  
also will give the commencement  
address.

On Friday, June 1, at 8 p. m. the  
Senior class in academic robes and  
the Junior class in formal dress  
will meet on the campus to ex-  
change candles and roses. The  
Seniors will give the Juniors light-  
ed tapers as a symbol of responsi-  
bility to search for the truth; the  
Juniors will give the roses to the  
Seniors as a sign of love and re-  
membrance.

Roman coins unearthed at the  
imperial springs of Balneario de  
Panticosa, high in the Pyrenees  
mountains, prove that this resort  
was popular in the first century.

## Stock Market Dips 10 Billion Since April 6

NEW YORK (AP) — The stock  
market has shrunk by 10 billion  
dollars since the industrial aver-  
age achieved a record high on  
April 6, a United Press tabulation  
showed today.

That decline has been spread  
over 33 sessions with declines in  
23 and advances in 10 for the in-  
dustrials. Rails have fared bet-  
ter with declines in 16 and ad-  
vances in 17.

It has been a prolonged recession  
in prices stemming from  
many adverse factors, according  
to the market experts.

Recently, some business leader  
statements veering away from the  
usual optimism have accelerated  
the decline.

Here are the things the market  
men list as adverse:

A decline in automobile output.  
Harlow H. Cuttice, president of  
General Motors Corp., revised a  
former estimate of 6½ million  
cars for this year down to 5,800-  
000. He attributed the drop to tight  
money.

Tight money is seen as a top  
ranking cause of market difficulty,  
not that there is any need of credit  
in this near-cash market, but the  
market suffers when business can-  
not meet its demands in the mon-  
ey market.

A decline in new housing starts  
and a falling off in business for  
the makers of farm equipment  
plus some further difficulties in  
textiles rounded out the picture to  
Wednesday.

## Carbondale Man Escapes Injury in Forced Plane Landing

CHRISTOPHER, Ill. (AP)—Vernon  
E. Biggs of Carbondale escaped  
injury today when he made a forced  
landing in his light plane four  
miles north of here.

The Franklin county sheriff's of-  
fice said Biggs was en route from  
Carbondale to Kankakee when the  
plane developed engine trouble.  
The forced landing in a wheat  
field resulted in damage of about  
\$1,000 to the two-passenger Cessna  
plane.

## Boy Drifts on Log

OMAHA, Neb. (AP)—Dale Arter-  
bur, 15, drifted 7½ miles down the  
Missouri River on a log Wednes-  
day before police rescued him. The  
boy said he fell in the river while  
trying to push the log away from  
the bank. He grabbed the log and  
decided to ride it until he was  
rescued.

## RUDEMENT

Rudement school will close May  
31 with a picnic to be held at Fort  
Massac State park. A chartered

as are visiting with relatives and  
friends here.

## Senate Group Asks Ouster of Soviet Delegate

WASHINGTON (AP)—The Senate  
Internal Security subcommittee to-  
day formally called for the ouster  
of Soviet U. N. delegate Arkady  
A. Sobolev for his part in the re-  
fusal of five Russian refugee  
sailors.

The subcommittee also called for  
ouster of Konstantin Ekimov, first  
secretary of the Russian U. N. de-  
legation.

In a formal report on its investi-  
gation of the sailor incident, the  
subcommittee called on the State  
Department to demand recall of  
the two diplomats.

The State Department last month  
expelled two less members of  
the Soviet U. N. delegation—third  
secretary Nikolai Turkin and At-  
tache Aleksandr K. Guryanov —  
for "particularly objectionable"  
acts in connection with return of  
the sailors.

The department also indirectly  
rebutted Sobolev and his staff for  
intervening to bring about the sail-  
ors' departure. But it did not de-  
mand Sobolev's recall.

The five Soviet sailors along  
with four others were granted  
asylum in the United States after  
their ship was captured by the  
Chinese Nationalists in 1954. Three  
of the four sailors who remained  
in the United States told the sub-  
committee they believed coercion  
was used on their comrades to get  
them to redefect. Other witnesses  
agreed.

## White House Aide Sorry for Right To Suffer Remark

WASHINGTON (AP) — Howard  
Pyle, administrative assistant to  
President Eisenhower, apologized  
Wednesday night for his Detroit  
remark that "The right to suffer  
is one of the joys of a free econ-  
omy."

Pyle, who said he made the  
"off-hand" and "informal" com-  
ment to reporters in unemploy-  
ment-plagued Detroit last Mon-  
day, apologized to "anyone who  
might have been offended."

Assistant Presidential News Sec-  
retary Murray Snyder handed re-  
porters Pyle's statement shortly  
after the White House received a  
telegram of protest from AFL-  
CIO Vice President Walter P.  
Reuther.

Reuther said Pyle's remark was  
akin to Secretary of Defense  
Charles E. Wilson's famous "bird  
dog" story. Reuther also said  
Pyle had been guilty of "callous  
facetiousness" in discussing un-  
employment while in Detroit for a  
meeting of Republican women.

Pyle, former GOP governor of  
Arizona, said the Eisenhower ad-  
ministration is "very actively  
concerned" over the fact that De-  
troit is having unemployment  
problems.

Reuther, president of the United  
Auto Workers Union, told Mr. Ei-  
senhower that Pyle told the De-  
troit reporters:

"The right to suffer is one of  
the joys of a free economy, just  
as the right to prosper is. But  
Michigan will come out of it just  
as the farmers are doing now."

"UAW members who are laid  
off," Reuther said, "find it diffi-  
cult to smile at a remark terming  
the right to suffer as a joy, re-  
gardless of how facetiously such  
a statement might have been  
meant."

"It understandably recalls to  
them another presidential spokes-  
man who two years ago compared  
laid-off workers here to bird dogs  
and kennel dogs!"

He referred to Wilson's remark  
that "bird dogs" will go out and  
look for food while "kennel dogs"  
are prone to sit at home and be  
fed. The defense secretary also  
apologized for his statement.

## Two Sailors Killed In Auto Crash

WATERFORD, Conn. (AP)—  
Floyd J. Rosmyslowicz, 28, of Elk-  
ville, Ill., died Wednesday night  
24 hours after a two-car crash in  
which a second sailor was killed  
instantly.

Rosmyslowicz, who was attached  
to the submarine Corsair at near-  
by Groton, was the driver of a car  
which collided with a second auto.  
His companion, Peter J. Elbert, 21,  
of Whittemore, Iowa, died instan-  
tly.

The couple in the second car  
escaped injury.

## Riesel Returns to Job

NEW YORK (AP) — Blind labor  
columnist Victor Riesel plans to  
return to work Friday or Monday.  
Riesel, who was blinded when a  
vial of acid was thrown in his face  
on a Manhattan street last April  
6, left the hospital Wednesday. He  
was accompanied by his wife, Eve-  
lyn, and friends.

### Nagging Backache Sleepless Nights

Nagging backache, headache, or muscular aches and pains may come on with over-exertion, emotional upsets or day to day stress and strain. And folks who eat and drink unwisely sometimes suffer mild bladder irritation ... with that restless, uncomfortable feeling. If you are miserable and worn out because of these discomforts, Doan's Pills often help by their pain relieving action, by their soothing effect to ease bladder irritation, and by their mild diuretic action through the kidneys — tending to increase the output of the 15 miles of kidney tubes. So if nagging backache makes you feel dragged-out, miserable, with restless, sleepless nights, don't wait, try Doan's Pills, get the same happy relief millions have enjoyed for over 60 years. Ask for new, large, economy size and save money. Get Doan's Pills today!

### Miss Barbara Brandon Weds Glen H. Rice In Simple Ceremony

In a candlelight double ring ceremony performed Saturday, May 12, at 8 p. m. in the chapel of the First Presbyterian church, Miss Barbara Ann Brandon, daughter of Mr. and Mrs. Noble Brandon of Carrier Mills, and Glen H. Rice, son of Mr. and Mrs. O. D. Rice, RFD 2, Harrisburg, exchanged wedding vows before a small group of relatives.

The Rev. William Burroughs, church pastor, performed the simple but impressive service. The bride chose for her wedding a street length dress of pale blue designed with an empire line. Her matching short jacket was trimmed in rhinestones. She wore a white hat with white accessories and carried a bridal bouquet of white orchids.

Miss Margaret Robinson, Carrier Mills, close friend of the bride, was maid of honor, wearing a pink dress, also fashioned on the empire line, with white accessories and a white gardenia corsage.

George Sisk, Evansville, Ind., served as best man.

The bride graduated from the Carrier Mills Community high school and was stenographer at the Lloyd L. Parker furniture store prior to her marriage. Mr. Rice is a graduate of Culver-Stockton college in Missouri, served four years in the Navy, and is presently in the service department at the National Cash Register company in Evansville, Ind.

Following a short wedding trip the couple is now at home at 33 Washington Avenue, Evansville.

### Xi Beta Omega Chapter Holds Final Meeting, Has Report On Convention

Monday evening Xi Beta Omega Exemplar chapter held its last regular meeting of the year at the home of Mrs. Pat Baker with Mrs. Eleanor Molinarolo, assistant hostess.

The program was given by Mrs. Rosalie Dorris who discussed "Remembering Times." The members voted their appreciation to Mrs. Martha Dixon who planned the interesting programs for the year and made the booklets using the theme "Times of Our Lives."

Mrs. Wilma Clark gave a report on the Central Illinois Area Council convention that was held in Springfield Sunday, May 20, at the Hotel Leland. Attending from the local chapter were Mrs. Clark, Mrs. Virginia Taylor, Mrs. Virginia Podorsick, Mrs. Anna Mae Gaskins and Mrs. Norma Keen. The highlight of the convention for the Harrisburg women was that Mrs. Alta Rittenberry, the former Alta Trammel and former member of the local chapter, was the 1956 Queen Bee and reigned over the meeting. Also, Mrs. Charlene Gates, former member of Xi Beta Omega, was pianist for the day. The Harrisburg group received a prize for driving the farthest distance.

The address of welcome at the convention was given by the honorable John William Chapman, lieutenant governor of the state of Illinois, and the Founder's Day address was given by Walter W. Ross, founder of Xi Beta Omega.

Others present were Mesdames Kitty Partain, Bernice Kimberlin, Pat S. Davenport, Pat W. Davenport, Ina Cain, Ruth Hauptmann, Ann McGehee, Betty Jackson, Sadie Lou Stricklin, June Steinmarch, Rosalie Dorris, Marion Utter, Lodema Taylor, Jean Gaskins, Naida Upchurch, and Bernice Cox.

Mrs. Kimberlin was installed as the new president, and Mrs. Dorris, retiring president, was presented with the past president's gavel. Delicious refreshments of strawberry shortcake and coffee were served.

The percentage of car-owning families having two or more automobiles increased from 4.8 per cent in 1948 to 13.8 in 1953.

The first Catholic newspaper in the United States was founded by R. V. Gabriel Richard at Detroit in 1809.

### Mrs. George Tate Surprised With Birthday Dinner and Party

A surprise birthday dinner was held Sunday in honor of Mrs. George Tate. When Mrs. Tate returned from church she was greeted by a host of friends and relatives singing "Happy Birthday."

She was then led to the table on the lawn which was spread with delicacies.

A number of presents were placed in the center of the table and after opening the gifts Mrs. Tate expressed her thanks to those present. Prayer was offered by Elton Tate.

After the meal the afternoon was spent in taking pictures, fishing, boat riding and visiting.

Mr. and Mrs. Tate and Ivan Dale have always lived in and around Raleigh until one year ago when they moved to Horse Shoe lake near Olive Branch. Mr. Tate is employed by the state.

Present were Mr. and Mrs. Carl Shelton and Mr. and Mrs. Eugene Wallace, Galatia, Mr. and Mrs. Elmer Holland and children, Lou and Sue, Harrisburg, Mr. and Mrs. Simon Casey, Jonesboro, Mr. and Mrs. N. E. Tate, Mr. and Mrs. Wilburn Tate and Gwendolyn, Mr. and Mrs. Joe Tate, Billie Scott and Margaret Ann, Mrs. Cecil Tate, Wayne and Phyllis, Mr. and Mrs. Lee Shelton, Mr. and Mrs. Edwin Reasons, Carl Eddie and Anita, Raleigh, Mr. and Mrs. J. B. Ice, Carol, Phillip, Phyllis, Gary and Jerry, Miller City, Mr. and Mrs. Cecil Carner, Lucille, Carol and Mary Jo, Miss Marilyn Stewart, Olive Branch, Denver Bennett, Tamms, Mr. and Mrs. Felix A. Williams, Steeleville, Ill.

### Mrs. Bryan Malone Hostess To Dorris Heights Unit

The Dorris Heights unit of Home Bureau met at the home of Mrs. Bryan Malone Tuesday evening.

The meeting was called to order by the chairman, Mrs. Barney Ashe. Ten members answered roll call with "a new product in which I am interested."

After the business meeting Mrs. Harper gave the major lesson, "Using Plaids and Stripes," making the subject quite interesting by demonstrating with pictures. The minor topic, "Control of Bleeding," was given by Mrs. Herman Conover.

Recreation was conducted by Mrs. Mabel Pankey and delicious refreshments were served by the hostess, Mrs. Malone, assisted by her daughter, Mrs. Roy Caldwell.

### Producer Billy Rose, Actress Obtain Marriage License

NEW YORK (U.P.) — Broadway producer Billy Rose, 56, and 36-year-old actress Joyce Matthews obtained a marriage license Wednesday but declined to disclose their wedding plans.

The pint sized Rose has been married twice. He was divorced from the late Fanny Brice in 1940 and from Olympic swimming star Eleanor Holm in 1954.

Miss Matthews slashed her wrists in Rose's apartment atop his Ziegfeld Theater during his court wrangle with Miss Holm over their divorce.

The thrice-married blonde actress and Rose have been friends for seven years. Miss Matthews was divorced once from Gonzalez Gomez in 1940, and twice from comedian Milton Berle in 1948 and 1950.

## Paris Fashion Model Breaks Record With 36,736-Foot Parachute Jump

Editor's note: Collette Duval, a Paris fashion model who parachuted for pleasure, Wednesday bettered both her own women's record and the Soviet-held men's record for "free-fall" parachuting by plummeting from the bomb bay of a Brazilian bomber at an altitude of 36,736 feet over Rio de Janeiro. She fell more than 36,000 feet before opening her chute.

By COLLETTE DUVAL  
Written for United Press  
RIO DE JANEIRO (UP)—I dropped 11,000 meters (36,080 feet) through space in just 3 minutes and 18 seconds, setting a new free-fall parachute record.

It happened so fast, it'll take more time to tell about it than it did to make the jump.

Mr. Duval's feat bettered two world records—her own women's record of 28,208 feet, and the men's record of 29,618 feet, held by an unidentified Russian.

When we reached 10,000 meters (32,800 feet), the pilot, Capt. Luiz Ricardo Salazar, said he feared for my personal safety if I at-

tempted any higher jump. I convinced him my physical conditioning and experience made another 1,000 meters possible, and we increased altitude to about 11,500 meters.

The Brazilian Air Ministry announced the plane's instruments show it was actually at an altitude of 11,200 meters—36,736 feet—when Mr. Duval jumped.

I strapped on two parachutes, including a favorite which I've used in 200 jumps. The second chute was in case the first failed to open—although by the time I'd know, it would probably be too late.

To jump was so simple—I merely brought my feet together and I was away.

I felt a sudden blow, because I had stepped into a jet-stream current of wind traveling at about 145 miles an hour. I immediately assumed a swan position, with my arms outspread and my feet together.

If I had tumbled head over heels, I would have lost control and been unable to read the instruments.

I was totally unaware of time and space until, at about 5,000 meters (16,400 feet), I felt a sudden pain in my left ear. I had plugged my ears to minimize the sudden pressure change, but the plugs didn't work.

I screamed, both from pain and to relieve the pressure, and began to cry.

The pressure trouble caused Mr. Duval's left ear to bleed slightly. She was otherwise unhurt.

Before the April 10 Illinois primary, some downstate leaders tried to organize a pro-Kefauver, "stop Stevenson" drive. But the attempt fizzled when Stevenson scored heavily in the primary.

The delegates' statement Wednesday said: "Fourteen of 15 downstate delegates meeting in Springfield agreed to go to the Chicago convention unpledged. There were no delegates favorable to the candidacy of Kefauver. There was very strong sentiment expressed in behalf of Symington."

Asked what significance there was in the fact Stevenson was not mentioned, Lucas said "the statement speaks for itself."

Before the meeting, Stelle said Symington had won a poll of Democratic voters in the 23rd Congressional District and "I honestly believe he can help carry Illinois" for the Democrats.

Seek Downstate Chairman  
The downstate group also adopted a resolution asking that John E. Cassidy Sr., Peoria, be named chairman of the Illinois convention delegation. They said downstate has never had the chairmanship.

The delegates adopted resolutions pledging themselves to help maintain an "orderly convention" and endorsing state, county and congressional party candidates.

Stelle has long been at odds with the Cook County leadership of the party and cool toward Stevenson.

Delegates who attended the meeting were Martin O'Brien, Aurora; Conrad Wirth, Joliet; William H. Allen, Rockford; Henry Wise, Danville; John E. Cassidy Sr., Peoria; Howard Beaney, Peoria; John Henson, Villa Grove; John Stelle, McLeansboro; Hugh Murray Jr., Centralia; Leroy Barham, Harrisburg; Gordon Franklin, Marion; Scott W. Lucas, Havana; Joseph G. Heckenkamp, Quincy; D. M. Madigan, Penfield; and Richard G. Hershey, Taylorville.

Lucas said Henry F. McCarthy, Joliet, and William J. Bolger, McHenry, agreed to the statement by proxy.

## Expect Eisenhower To Act on Farm Measure Next Week

WASHINGTON (UP)—The White House said today President Eisenhower will probably act on the "second chance" farm bill next week. He is expected to sign it.

Final action on the new farm bill was included in a list of 18 measures that have been tagged as "must" legislation at this session by the President. The farm bill went to the White House Wednesday.

Asst. News Secretary Murray Snyder said he did not expect Mr. Eisenhower to act on the bill until Monday at the earliest.

## Egypt Premier To Visit China

JERUSALEM (UP)—Egyptian Premier Gamal Abdel Nasser announced today he had accepted an invitation from Chinese Communist Premier Chou En-lai to visit Red China which has offered Egypt more arms.

It was also announced that Maj. Gen. Abdel Hakim Amer, the Egyptian defense minister, had accepted an invitation from Red Chinese Defense Minister Peng Teh-huai to send an Egyptian military mission to Peiping representing the army, navy and air force.

Egypt already has sent such a mission to Czechoslovakia, which has been supplying Soviet-built and other arms.

The announcement was made by Nasser's office in Cairo as tension began mounting again in the Middle East following a series of Israeli complaints against three of its Arab neighbors—Egypt, Syria and Jordan.

## German Spy Appeals 30-Year Sentence

DENVER (UP)—William C. Colepaugh, 38, American-born German spy who was landed on the Maine coast by a Nazi U-boat during World War II, Wednesday appealed his 30-year sentence to the 10th U. S. Circuit Court of Appeals.

Colepaugh is seeking his freedom from the federal prison at Leavenworth, Kan., where he was sentenced to 30 years shortly after his death sentence was commuted. Colepaugh surrendered to the

fourth and continued teaching the fourth until her retirement.

After several years here, her sisters, Miss Mary Morrison, now employed by Dr. G. R. Johnson, and Miss Ethel Morrison came to Harrisburg and the three made their home together. They continue to do so.

During her long stay at Logan she has taught under nine principals. Cyrus Steinsultz, now principal at Horace Mann, was there when she started teaching in Harrisburg, and the others were John Raley, M. E. Morris, Fred Massey, W. B. Westbrook, Walter Hamilton, Dale Wilson, Eugene Morris and the present principal, Dwight Karnes.

Since the announcement that she has planned to retire at the end of this term, Miss Morrison has received a government bond from the Harrisburg Teachers association, and a fine piece of luggage from the Logan faculty. The luggage was presented to her one afternoon following the school session last week. She received it at a surprise party, attended by the teachers, at which ice cream, cake and drinks were served.

Miss Morrison said she plans to rest here this summer, but later wants to go to Washington, D. C., to visit her nephew, Clyde Cook Jr.

## Legislator Attacks, CIPS Official Defends Electric Power Rates

HERRIN, Ill. (UP)—A state representative charged Wednesday night that electric power rates are too high in southern Illinois, and a power company official replied that his company's return on its investment now is less than it was in 1949.

Rep. Bert Baker (D-Benton) said at a meeting of the Southern Illinois Mayors Assn. that rates of the Central Illinois Public Service Co. are higher than the average in any state in the Union.

He said CIPS charges \$9.34 per 250 kilowatt hours for residential service, compared with the Illinois state average of \$7.22.

Baker said a Federal Power Commission study showed southern Illinois power rates are higher than the average rate in all 48 states.

Baker said he will call for a legislative investigation of power rates in the area. He also recommended that southern Illinois cities consider the possibility of joining together to construct power plants to serve several cities. He said cities individually could not provide plants to compete with private utilities.

W. A. Luecke, Marion, CIPS southern division superintendent, said the Illinois Commerce Commission authorized a 5.9 per cent return on the company's investment. But he said income per kilowatt hour is less now than it was in 1949 despite a 1954 rate increase.

### Defense Department Says It Will Consider Any Soviet Invitation

WASHINGTON (UP)—The Defense Department said today that it would "seriously consider" any Russian invitation for the U. S. Joint Chiefs of Staff to visit the Soviet Union.

A spokesman said that no such invitation has been received. But the department took the unusual step of making an official comment on a newspaper dispatch to the effect that such an invitation may be formally announced soon.

The New York Daily News reported the possibility of a Russian invitation in a copyrighted dispatch from New York.

American officials said such a move probably would be aimed at trying to impress the world still further with Soviet demobilization moves.

Luecke said southern Illinois power rates are the result of many factors. One of these, he said, is that only two CIPS distribution plants have a demand for more than 10,000 kilowatt hours of power.

He said CIPS rates have not discouraged industrial development in southern Illinois.

State Rep. Paul Powell (D-Vienna), who earlier this year charged that lack of power discouraged location of new industry in southern Illinois, told the meeting he has learned there is no power shortage for new industry.

He said he had a letter from Olin-Mathieson Corp. which said the firm decided against locating an aluminum plant at Cairo, reasons other than the availability of electric power.

About 80 persons attended the meeting, including 22 mayors and 10 state legislators or candidates for the Legislature.

## Eisenhower Asks Congress To Speed Bills

WASHINGTON (UP)—President Eisenhower called on Congress today to speed action on an 18-point legislative program calling for better schools and highways and a huge foreign aid program.

The White House, in disclosing the priority legislation list, emphasized that Mr. Eisenhower "is not giving up" on any of his other legislative recommendations.

But Asst. Press Secretary Murray Snyder said the 18 measures are those which the President considers "very important."

Snyder said Mr. Eisenhower hopes to see "favorable action" by Congress on all of the listed items before adjournment. Congressional leaders are shooting for adjournment in July.

One of the 18 items was the new farm bill, which Congress sent to the White House Wednesday. Snyder explained that the list had not been brought up to date since Wednesday.

**Federal Grants for Schools**  
The President's must program:

**Foreign Aid:** Approval of his \$4,900,000,000 foreign aid request. The House Foreign Affairs committee has just lopped \$1,100,000,000 off the program.

**Schools:** Enactment of his recommendation for 250 million dollars a year in federal grants over a four-year period to build badly needed schools. The bill has been bogged down in the House under the threat of an anti-segregation amendment by Rep. Adam Clayton Powell (D-NY).

**Highways:** Enactment of multi-billion-dollar federal highway construction bill. The program has passed the House and has been approved by the Senate Finance committee.

**Mail Rates:** Enactment of his recommendation for a substantial increase in mail rates to overcome the heavy operating deficits of the Post Office Department. The House Post Office committee has approved increases—including a 1-cent hike for first class stamps.

**Wants Housing Bill Passed**  
**Welfare:** Approval of housing bill calling for 35,000 public housing units per year; approval of the administration's health program, including 250-million-dollar grant program to aid medical schools; enactment of some Taft-Hartley labor law amendments, and adoption of a civil rights program including creation of a special civil rights commission.

## Harrisburg Nat'l Bank Displays Merchandise Items from Local Firms

The Harrisburg National bank has started a policy of displaying local merchandise items in the lobby of the bank.

Each merchant will be given two weeks for a product and those desiring to take advantage of this free offer should contact the bank and make arrangements for time.

At present a half-dozen gaily colored dial telephones are being displayed by the General Telephone Co. of Illinois.

## Trojans Under Football Probe

VICTORIA, B. C. (UP)—The Pacific Coast Conference, reeling under blows that threaten to knock the West Coast clear out of the football picture, girded itself today for an investigation into alleged proselytizing at the University of Southern California.

The Trojans, always a powerhouse in PCC football, came under the unwelcome glare of the PCC's investigative spotlight when a deputy district attorney from Los Angeles charged USC athletes had received \$71,235 from a secret fund over a two-year period.

Already two member schools have suffered severe penalties for permitting athletes to accept under-the-table payments. Washington was hit early this year with a \$53,000 "fine" and probation.

UCLA, at the PCC meeting here, was clobbered with a \$95,000 fine, three-year probation and loss of one year eligibility for all athletes who accepted the illegal payments.

J. Miller Leavy, the attorney prominent UCLA alumni charged Wednesday a booster club which he refused to identify, "by its own records shows that in a two-year period . . . \$71,235 was distributed to no less than 60 named University of Southern California athletes."

## Atom Warhead for Scatter Shots at Aircraft Possible in Army's Nike

WHITE SANDS PROVING GROUND, N. M. (UP)—The Army's Nike B anti-aircraft rocket will be able to carry an atomic warhead that would permit "scatter shots" against formations of enemy aircraft, a spokesman told United Press Wednesday.

A small, controlled atomic device in Nike's nose would be the key to the high destructive potential of the rocket, the spokesman said. He asked that his name not be used.

The Army wound up its two-day demonstration for the press Wednesday of the Nike's killing power. Included in the demonstration were firings of Corporal and Honest John rockets.

Newsmen saw Army launching crews with only four weeks of training fire six Nikes at tiny, propeller-driven drone targets, and score three hits and two "lethal" near-misses. The sixth Nike blew itself up aloft when its radar mechanism failed.

On Monday, two Nikes were fired at a 500-mile-an-hour drone target at 15,000 feet, and brought it down. Monday's firings of Corporal and Honest John were also flat on the ground targets.

Wednesday's drone targets traveled at only 18 miles an hour, but

ranged from 10,000 to 20,000 feet and bobbed about in the wind to make their seven-foot wing span and 10-foot length a very slippery target.

But the newsmen saw Nike, a missile 20 feet long and one foot in diameter, climb with incredible speed to 10,000 feet and then hold tenaciously on the small, wind-tossed targets with deadly effect.

### Carpentier Favors Increase in State Driver License Fees

CHICAGO (UP)—Secretary of State Charles F. Carpentier said today he would favor an increase in Illinois driver license fees.

The fee is now \$1 for a license which lasts three years. Carpentier, commenting in response to a question at a midwestern safety conference, did not say how high it should be.

Carpentier said the present revenues from license fees now pay only about half the cost of operating the driver license division in his office.

## Looking At Sports

By BILL MELTON

ATTENTION all kids and parents interested in a summer baseball program for Harrisburg youth!

The Kiwanis-sponsored baseball program is about to "fall on its face," and not due in any way to lack of interest on the part of the Kiwanis club.

The lack of interest is from those for whom the program is planned—the boys.

Ronnie Doerge, Kiwanis president, stated Wednesday there had been such a small number of boys indicating interest in playing supervised baseball this summer that the program was in danger of failing.

And it was certain that the opening of the season would have to be moved back at least a week.

"We had planned to start about June 4, the first Monday of the month. But due to the small number of teams we will need another week to organize and the opening can't be earlier than June 11," Doerge said.

All boys wanting the play baseball this summer should immediately say so. Complete one of the Kiwanis baseball forms and get it to Ronnie. The blank form appears in The Daily Register sports section periodically.

The story following is printed just as it was received from a public relations company. It sounds like an interesting proposition and everyone had a chance at the prize money. Nothing to buy—it says. Just send a post card and wait to be notified that you have "hit the jack pot."

Every home run hit by four of major league baseball's greatest home run hitters this summer will be worth \$100 to some lucky sports fan.

Should Mickey Mantle, Willie Mays, Ted Kluszewski and Al Kaline hit the ball out of the park at their 1955 rate, it will mean \$16,200 to a baseball follower somewhere in the United States at the end of the season. Mantle's fast start in this year's home run race lends hope the cash figure could go higher.

General Mills, the makers of Wheaties, today announced a unique and interesting offer to pay a top prize to some lucky sports fan which accumulates at the rate of \$100 for every home run hit during the 1956 major league season by the above-named stars.

This home run event is open to anyone in the United States except residents of Nebraska and New Jersey. One may enter merely by filing his name and address on a post card with the name and address of his grocer and sending it to General Mills in Minneapolis. All cards must be post marked not later than July 4, 1956.

The lucky Sweepstakes winner, whose entry will be drawn from the total submitted, will be announced on the eve of the opening game of the World Series.

Actually the diamond heroes' home runs mean more than \$100 each. There will be 12 other cash prizes—sums accumulating at the rate of \$30 for every home run to the second place winner, \$25 for every four base smash to the third place winner and \$5 for every circuit clout to the 10 fourth place winners.

If Mays hits 51, Kluszewski 47, Mantle 37 and Kaline 27, their 1955 totals, the amount of money to be given away will total \$36,450.

## Raid Night Club In Johnson County

BUNCOMBE, Ill. (UP)—State police and Johnson County Sheriff's officers raided a night club here Wednesday night and arrested three persons on morals charges.

State Police Captain Elza Brantley and Sheriff Orlan Cox led the raid that resulted in the arrest of Taylor Pennington, Sherry Miller, 22, and Sue Taylor, 30, all of Buncombe.

Pennington pleaded innocent to a charge of operating a disorderly house when taken before a justice of the peace in Vienna. He was released on \$1,000 bond pending a hearing May 29.

The two women pleaded guilty to being inmates of a house of ill fame and each paid a fine of 100-dollars plus costs.

## Cost of Living Up Slightly

WASHINGTON (UP)—The cost of living went up in April for the second straight month, the government reported today.

The rise brought a penny-an-hour pay increase to about one million auto, aircraft and farm equipment factory workers.

The Bureau of Labor Statistics' consumer price index rose two-tenths of 1 per cent between March and April. The new level was 114.9 per cent of average 1947-49 prices. This was six-tenths of 1 per cent higher than a year ago and one-half of 1 per cent below the record level of October, 1953.

### ICC Hearing June 20 On Bus Fare Increases

SPRINGFIELD (UP)—The Illinois Commerce Commission today scheduled a hearing for June 20 at Chicago on a request by Peoria-Rockford Bus Co. for fare increases.

The company has petitioned for fare increases on its operations between Rockford, Peoria, and Bloomington, and between East St. Louis, Pinckneyville, Harrisburg and Crossville.

## Herb Score Sets Sights on Feller Strikeout Record; Pirates Blank Cardinals, 6-0

By United Press  
Herb Score, rookie sensation of 1955, is taking dead aim at teammate Bob Feller's all-time strikeout mark for a single season.

The 22-year old southpaw struck out seven batters as the Cleveland Indians whipped the Boston Red Sox, 6-3, Wednesday and now has whiffed 67 rivals in 60 1-3 innings. At that pace — the Indians have completed one fifth of their schedule—Score will wind up with 335 whiffs in 300 frames.

The great Feller set the major league record of 348 strikeouts in 1946 when he pitched 371 innings. Feller, Walter Johnson and Rube Waddell are the only modern pitchers who have whiffed 300 batters in one season and Waddell's 343-total in 1904 stood for 42 years before Feller broke it.

### Posts Fifth Victory

Score, who struck out 245 batters to set a record for a rookie last season, was credited with his fifth triumph of the year Wednesday although he needed help from Don Mossi when he hit a wild streak in the eighth inning and walked four batters. Mossi walked two more batters to help treat the Red Sox to three runs but then slammed down the lid.

Score's current record is 5-3 but all the losses were by one-run margins and two of them were by 1-0. And Wednesday's victory ended a string of five straight losses he suffered at the hands of the Red Sox. So, it's obvious this is one chap who never heard of a sophomore jinx or team jinx.

The Indians supported their young prodigy with a 13-hit attack that handed Frank Sullivan his first loss of the year and enabled them to remain 2 1-2 games behind.

### Wright to Resign As Publicity Director at U. I.

URBANA-CHAMPAIGN, Ill. — President David Dodds Henry of the University of Illinois announced today that he was granting the request of Jos. F. Wright, director of public relations, to give up the headship of that department on Sept. 1. He said Mr. Wright would continue on the staff on special assignment until March 1, 1957.

"I am concurring in Mr. Wright's decision to retire with deep regret that we are to lose his services. He has served the university with great distinction and is known throughout the country in his field as a pioneer in public interpretation of higher education. He has made a host of friends for the University and the good will he has engendered will be a permanent asset to the institution," President Henry said.

Wright is completing 37 years with the university this fall.

The Wrights built a home in Fort Myers, Florida, three years ago, where they plan to live. They are selling their place on South Race Street and intend to move south by September 1. Wright, however, will spend the first half of the academic year with the University.

### Establish \$500 Scholarship in Area Journalism

McLEANSBORO, Ill. — Establishment of a \$500 scholarship open to Southern Illinois University students majoring in community journalism was announced today by Robert Evans, president of the Southern Illinois Editorial Association and editor of the McLeansboro Times-Leader.

Today's announcement followed approval by the SIEA board of a series of recommendations submitted by the association's scholarship committee, headed by Lucien File, Chester Herald-Tribune.

The committee will interview candidates for the award at SIU June 5.

Candidates will be limited to male students who have completed successfully their freshman year and who can show real need for assistance in order to continue their university careers. Upon graduation, scholarship holders will be encouraged to seek employment on Southern Illinois dailies and weeklies. As they advance they will be encouraged to contribute to the SIEA scholarship fund.

The award will be spread over a three year period with \$200 for the sophomore year, \$200 for the junior year, and \$100 for the senior year.

In other action, the board voted to make the scholarship committee a permanent one, with instructions to solicit funds and to continue a study of the present scholarship program, which includes a \$100 annual grant to two-year students in typography; to establish a foundation to receive gifts; and to establish a speakers bureau to provide speakers to inform area high school students concerning the advantages of the community journalism field.

Other members of the committee are: K. R. Trigg, Eldorado Daily Journal; T. O. Matthews, Wayne County Press; Warren Stricker, Okaville Times; and Kenneth J. Mollman, Millstadt Enterprise.

### Illinois Sales Tax Collections for January \$29,447,060

SPRINGFIELD — January sales tax collections totaled \$29,447,060 in Illinois, the Revenue Department announced today.

The total included \$1,062,324 collected under the "use" tax on goods bought outside the state for use in Illinois. The January collections were based on December sales.

The Revenue Department said food sales accounted for the largest category of tax collections, adding up to almost six million dollars.

HARTFORD, Conn. — Trinity College Physics Professor F. Woodbridge Constant gave his illustration to his class to point out the smallness of an atom. "If each of the atoms in a glass of water were enlarged to the size of a grain of sand, they would cover the earth to a depth of 300 feet."

JOHN W. EMISON, Pana, is recognized as outstanding senior in the University of Illinois department of mining and metallurgical engineering, with the presentation by William E. Goodman, Chicago, of an engraved gold watch from the Old Timers' Club, exclusive organization of successful executives associated with the U. S. coal industry. Goodman is president of the Goodman Manufacturing company, one of the country's largest makers of underground mining equipment. Emison, married and a veteran of Korea, will, after graduation in June work for the Sahara Coal company in Harrisburg. Goodman made the presentation in behalf of the Old Timers' Club at a special meeting of students and staff of the department at Illinois. (University of Illinois Newsphoto)

### Reunion Saturday By Eldorado High School Class of '31

The Class of 1931 of the Eldorado Township high school is having a reunion Saturday, May 26, in the ETHS cafeteria. The program is scheduled to commence at 6:30 p. m.

There were 72 members of the graduating class of twenty-five years ago at Eldorado and every member is still living and has been contacted by the reunion committee, it is said.

Coming from the farthest distance to attend the class reunion is Edgar Unthank, now living in California. Another member of the class is coming from Washington, D. C., so the grads of 1931 are really coming from coast-to-coast. Two sisters, Sybil and Gertrude Lusk, residents of Denver, Colo., have indicated they will attend. It will be their first visit in Eldorado since the summer of 1931, as they went west with their family shortly after graduation.

Guest speaker for the evening will be J. Lester Buford, principal at Eldorado high school in 1931 and at present president of the National Education association. Mr. Buford is superintendent of the Mt. Vernon grade schools.

The committee for the class reunion: Alfred Adams, J. Ward Barnes, Eva Hess Barton, Bernice Brown Blackwell, Imogene Ghoson Harbison, Grace Griffith Ingram, Helen Seagraves Smith, Margarite Hill Towle.

### NATO Group Visits Plant Near Marion

MARION, Ill. — A group of high-ranking military and civilian officials of the North Atlantic Treaty Organization inspected an armament plant near Marion Wednesday.

The group visited Universal Match Corporation's plant in the Ordill industrial area to study pyrotechnic production and development. The plant manufactures signal flares, photographic flash bombs and other devices for the armed forces.

The NATO group included American, Canadian and British personnel. They inspected Universal Match facilities at St. Louis Tuesday.

### Miss Janice Phelps To Be Capped in Nursing Exercises

Miss Janice Phelps, daughter of Mr. and Mrs. Doyle Phelps, R. F. D. 4, Harrisburg, will be one of 27 freshman nursing students taking part in the capping exercises of the Baptist hospital-Evansville college School of Nursing Sunday, June 3, at 3 p. m. The ceremony will be held in the auditorium on the Evansville college campus.

Miss Phelps is completing her first year of college academic work and clinical training at the Baptist hospital-Evansville college School of Nursing. She will be capped by Miss Mildred Boeke, director of the school of nursing, in an impressive ceremony which is held at commencement time each year for the freshman nursing class.

A reception for relatives and friends of the nurses will be held in the lounge of the Student Union building on the campus.

ATTRACTIVE COEDS forget waistline worries when pie is served at Southern Illinois University's Woody Hall cafeteria. The residence hall's 422 women students devour 60 pies in a single meal. Other favorite foods include ice cream, steak and "sloppy joes," a form of hamburger doused in tomato puree. Oysters and liver head the list of unpopular foods for these SIU coeds. Shown reaching for pie are June Kern, East St. Louis; Loucen Keller, Marion; and Frances Wilhelm, Collinsville. (SIU News Photo)

EMMY HAD LEARNED OF MRS. DOYLE'S VISIT WITH OLD FRIENDS IN TOWN SHORTLY BEFORE SHE DIED. EASY LOOKS THEM UP.

MRS. BAKER, DID SHE EVER MENTION THE AGREEMENT SHE HAD WITH J.P. MCKEE TO HAVE MR. DOYLE'S FIRST SHOP FOR POSTERITY?

OH, YES...OFTEN. BUT ON HER LAST VISIT SHE DIDN'T SEEM SO SURE HE DESERVED A MEMORIAL!

SHE'D GOT TO BE VERY JEALOUS, IF THE OLD BOY HAD BEEN POLITE TO A YOUNGER WOMAN. HER BRISTLES STOOD STRAIGHT UP!

EMMY FELT IN HER BONES THAT SHE'D NO SOONER BE CALLED UP YONDER THAN THAT ANTIQUE CASANOVA WOULD UP AND MARRY SOME SPRING CHICKEN, OUT AFTER HIS MONEY!

I'M AFRAID HE FINALLY DID JUST THAT! THAT'S WHY I'M HERE!

A Paper

MRS. DOYLE'S PREMONITION WAS RIGHT! A FEW YEARS AFTER HER DEATH, DOYLE MARRIED A YOUNG DANCER—

OH, YES! HE DIDN'T KEEP IN TOUCH WITH HIS OLD FRIENDS!

SO A DANCER LANDED THE OLD GOAT FOR HIS MONEY, EH? WELL, SHE DIDN'T GET MUCH! EMMY HAD SEEN TO THAT!

HON, WE BETTER GET THAT PAPER SHE LEFT US TO GIVE MR. MCKEE IF DOYLE DID UP AND MARRY AGAIN!

A PAPER?

YEP...ABOUT THAT OLD BUILDING SHE'D ASKED HIM TO KEEP INTACT! AH, HERE IT IS! YOU CAN TAKE IT TO HIM!

Feeling Low

WHEN I SEE THE SIZE OF MCKEE INDUSTRIES, I GET A THRILL KNOWING IT ALL STARTED IN MY LATE HUSBAND'S TINY SHOP, AGES BEFORE I WAS BORN!

LET'S FACE FACTS, MRS. DOYLE! HE WAS ABOUT TO GO BROKE WHEN I BOUGHT HIS ONE HORSE PLANT! I BUILT ALL THIS MYSELF!

I'VE BEEN VERY PATIENT WITH YOUR SELFISH ATTITUDE, MR. MCKEE! BUT YOU'VE STALLED LONG ENOUGH! EITHER START RESTORING THE OLD SHOP BY MORNING, OR PAY THE MODEST SUM I ASK FOR ITS WANTON DESTRUCTION!

MODEST SUM? THERE IS NO JUSTICE! IT'S THE PRINCIPLE OF THE THING!

YEAH? WELL, GET THIS, YOU OLD TIGHTWAD! I'LL MAKE IT COST YOU MORE THAN YOU EVER DREAMED! MY LAWYER SAYS—

OH, MR. MCKEE!

This Washes It Up

YOU'VE STALLED SO LONG, IT'LL COST YOU \$100,000 TO GET OUTA THAT AGREEMENT NOW, MCKEE!

MR. MCKEE! READ THIS NOTARIZED STATEMENT OLD LADY DOYLE LEFT WITH FRIENDS TO GIVE YOU!

On the event of my death, my widow, at his age, except for his worldly goods, cut that back to a minimum! His re-marriage will immediately cancel J.P. McKee's agreement to preserve Mr. Doyle's old shop for posterity!

Emmy Doyle

SPLENDID! I DON'T OWE YOU A CENT, FIF DOYLE! YOU SHOULD'VE BEEN SATISFIED WITH MY LIBERAL OFFER!

WHY THAT PALESD OLD SKINFLINT! SHE CAN'T DO THIS TO ME!

I'M AFRAID SHE HAS, FIF!

Thinking It Over

By Robert L. Dieffenbacher, D.D.  
Written for NEA Service

The broad interests of some people amaze us. We are more than a little surprised at the clergyman who knows jazz music and its proponents. The jockey who knows art is a phenomenon. The ship captain who does needlepoint appears incongruous as does the psychologist who knows pugilism.

The knowledge of these people is entertaining, but the real reason for our amazement is that most of us know so little. We live in small little worlds and confine our interests to really trivial things. We envy the person who has travelled and who remembers what he has seen.

We could cease to live circumscribed lives if we were to spend a few minutes a day studying some subject beyond the limits of our routine activities.

We might never win a quiz program and we might never receive public acclaim. But we could better serve man and God if we broadened our horizons to the point that we could listen intelligently to other people.

After all, one of man's greatest spiritual and social responsibilities is to help other people. We can help people more by listening to them than by talking to them. God does more listening than talking.

Most of us do not give Him much chance to talk to us. When we pray we do all the talking and as soon as we are through talking we turn our attention to other interests.

Marines Recruit Little Egypt Unit

On June 20, a group of young men from Southern Illinois, to be called the Little Egypt Marines, will leave Benton on the first leg of their journey to the Marine Corps Recruit depot at San Diego, Calif. All applicants joining the Little Egypt Marines will be sent to St. Louis, prior to June 20 for a complete mental and physical examination.

Examinations may be taken at any time after May 21. Men who join this unit of southern Illinois young men will leave together and will also take their training together. Men who join the Marine Corps now or in the near future may take advantage of the two year active duty program which is now being offered to all who join. The two years spent on active duty can be the period during which a Marine can become fully assured of his future ambitions and at the same time acquire experience that does not normally come to a person outside of Marine life.

For further information about the Little Egypt Marines, contact the Marine Corps Recruiting Station, Wood Building, Benton, Ill.

Grown to Please

Lincoln grew his beard to please a young girl. Grace Bedell wrote him during his campaign for the presidency, suggesting that he should let his whiskers grow and he acted upon her advice.

Detroit, Four Other Cities Eligible for Aid

WASHINGTON 23—Detroit and four other cities today were declared eligible for aid in getting government contracts, mainly because of a continuing rise in automobile factory job layoffs.

The Labor Department declared that Detroit and Flint, Mich., Kenosha, Wis., and South Bend, Ind., have "substantial" unemployment because of auto production cuts.

It also declared that Knoxville, Tenn., has substantial unemployment because of layoffs in the apparel industry and completion of

atomic energy construction projects.

The department said a survey of employers in the 149 major industrial centers indicate some further cutbacks in the automobile industry, and a dip in farm machinery production and in major household appliances between now and mid-summer.

But, it said, "slight" employment increases through mid-July are expected in most of the other areas. Because employment in many industrial centers is already at record or near record levels, the department said, increases

from now till mid-summer are "not expected to be large."

Which whipped topping is TOPIC?\*

\*Pudding on left is topped with whipped Topic. Topic is a delicious dessert "topper," and so very economical, too!

Fresh-tasting Topic whips quickly, easily! 1¢ a serving!  
2/3 less calories and 1/8 the cost of whipping cream!

If you're a whipped cream lover, imagine what you'll save in money and calories when you switch to this new dairy discovery!

It's Topic—not a canned milk, not evaporated milk, not a powdered milk—but a remarkable new achievement of dairy science developed for you. You'll love the

way fresh-tasting Topic whips to billowy smoothness—and whips the high cost of whipping cream!

So make the Topic whipping test today. Discover how amazing Topic whips to 3 times its liquid volume. Serve it lavishly—because Topic is tiny in price and low in calories!

TOPIC WHIPPED TOPPING

Chill Topic in refrigerator tray until soft crystals form around edges (15-20 minutes). Whip until stiff (about 1 minute). Add 1 tablespoon lemon juice for each cup of Topic; whip very stiff (2 minutes longer). If desired, add sugar to taste.

PERFECT FOR COFFEE AND COOKING, TOO!
